

Burial plots are located in Clarefield Meadow & Coquette Glade, both are wild flower meadows surrounded by native woodlands. Memorial trees such as Oak, Rowan and Apple Blossom scatter the meadow, in years to come this will turn the meadow into a thriving woodland and nature reserve.

Please see overleaf for more information on our burial and ashes plot options.

Woodland Scatter Memorial Plot

Choose an existing tree in our memorial woodlands to dedicate to someone dearly missed. Ashes are scattered at the base of the tree with a memorial plaque laid on the ground to mark the plot.

Nestled within the woodlands, our stone built chapel sympathetically settles into it's natural surroundings. Officially opened by the Duchess of Northumberland in October 2022, the calming and modern chapel is spacious with its vaulted ceiling and is flooded with natural light.

78 seater chapel

Webcasting & tribute screens

45 minute chapel service

Services limited to 5 per day

The chapel can be used for both cremation and burial memorial services

Northumberland Crematorium is fitted with a state-of-the-art abatement system to minimise the harmful gases produced during the cremation process. It also benefits from underfloor heating using an innovative heat exchanger that captures and reuses the waste heat produced by the cremator.

In addition, a DeNox filter has been installed, to reduce harmful nitrogen oxides (NOx) released during the cremation process, one of only 9 crematoriums in the UK with such a filter, making it the greenest crematorium in the region.

Griffon Wood offers a beautiful, natural and peaceful final resting place for your beloved pets and companions. Losing a pet can be like losing a member of your family, and it is important to give them the farewell and remembrance that they deserve.
